### Message from the Headteacher

Dear Parents and Carers

Unfortunately we have not been able to have our last day of half term in school but I hope you have felt the online learning today has offered some support. It is never an easy decision to close the school but the forecast for severe weather made the risk too high to open safely, particularly when traveling.

Despite the end to the week, we have had a really exciting one. Wednesday was 'Winter Olympics Day' and students across both sites tried adapted versions of the luge, skeleton, curling and many others.

As part of our entertainment topic, Key stage 3 went to Partyman at the Kassam Stadium on Wednesday afternoon. They learned about all sorts of different activities you can enjoy in leisure time, practiced some turn taking when having a go on the racing cars, and had a lot of space to let off some steam.

I hope you have a really good half term and that we can return on 28th February to a less disrupted half term.

Take care everyone and stay safe in this weather.

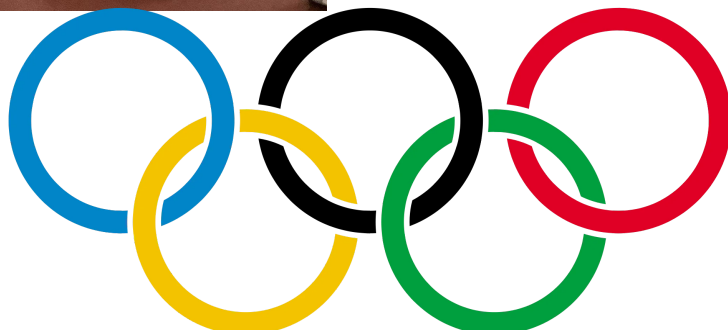

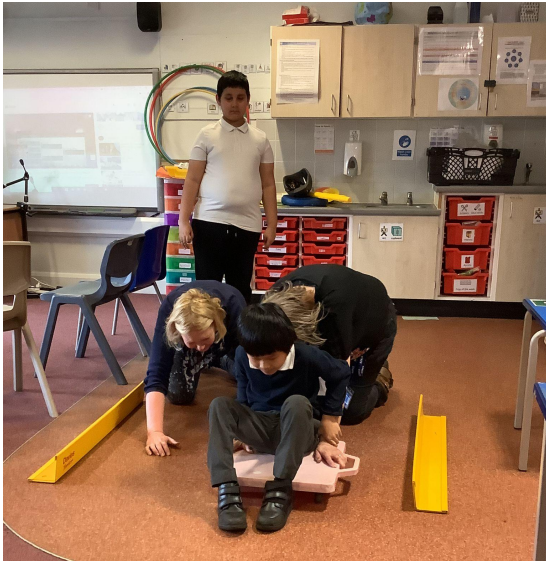

Best wishes

Lucy

# Red Class

Red Class had so much fun joining in with the Winter Olympics. We watched some of the games from Beijing and had our own competition. Khamas was a gold medalist for the bobsleigh, closely followed by Tanya, but Khamas did help to push Tanya. Alex got gold in the curling and Khamas again in the ice hockey. The ski jump was shared by Jacob, Hassan and Aariz. It was definitely the taking part that mattered and cheering on everybody for their efforts. Well done Red Class and especially our events organiser, Jacqueline. We wish you all a healthy and enjoyable holiday.

# Secondary Site Winter Olympics

Our Secondary students have had a fantastic week, learning all about the events in the Winter Olympics! We have had Ski Jumping, Skeleton, figure skating, alpine skiing and so much more!
