### Message from the Headteacher

18th March 2022

Dear Parents and Carers

At last the sun seems to be shining and it has certainly brought out some cheer for Red Nose Day. We have taken lots of pictures of both the costumes and the wonderful lego creations of habitats for our red nose animals.

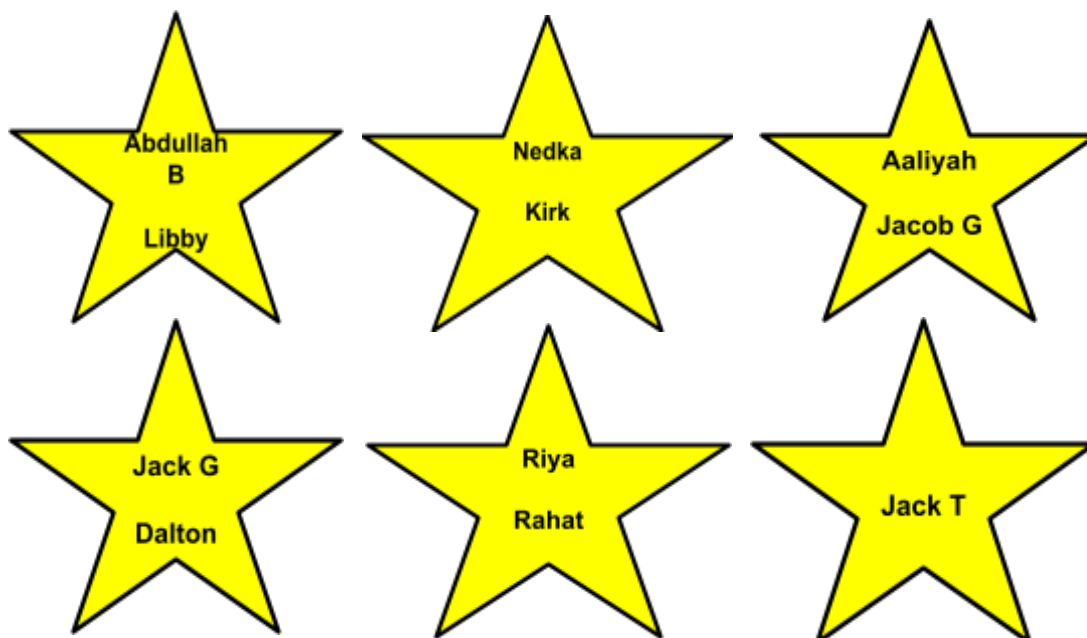

We are holding an information evening on Tuesday 22nd March for parents and carers of learners on our 14-19 pathways. This will explain the intentions of the new pathways and give you an opportunity to ask any questions.

Finally, a thank you once again to Blue Class parents and carers for their support this week. We really hope cases will start to slow down and we can return to normal school without interruptions.

Have a good weekend

Best wishes

Lucy

## Orange Class

This week Orange Class have started a new topic for Entertainment about the zoo. We are reading the story, Dear Zoo, by Rod Campbell and exploring the animals in the book. We have had the animals captured and stuck down with sticky tape for the children to attempt to release, using fine motor skills. We have also been washing the animals bodies and teeth in soapy water, using toothbrushes. We did some animal prints with paint and animal stampers. We have also been using playdough to make objects and animals you might find at the zoo. As part of Comic Relief's Lego Challenge, the children have been using Duplo to create the Savannah as an animal environment. We have also had a visit from Becksy, the school dog, last week for the first time. Some of the children in the class were more cautious than others about approaching her. We are hoping to make her visit more regular to familiarise the children with animals and how to treat them respectfully.

## Silver Class

We have had a busy week in Silver Class. We had a music session with Alex and learnt to play the electric guitar as demonstrated by Alistair. We had lots of fun building our Lego Savannah for comic relief. We also had a Red Nose Day bake off, where we made cakes and cookies for all the classes. Unfortunately due to bad weather we couldn't make it to Tescos; however, we did have fun creating Irish Soda Bread for St Patrick's Day.

# COMIC RELIEF RED NOSE DAY
